\*\*\*\*\*

The Election Commissioner has appointed the District Election Officers and they, in turn, shall appoint as many Electoral and Election Officers as may be necessary, for the conduct of elections to the cooperative societies in the state.

It is very much imperative, on the part of these officers, to study carefully the relevant provisions of the Tamil Nadu Cooperative Societies Act, 1983 and the Tamil Nadu co-operative societies Rules, 1988 and familiarize themselves with the same, so as to discharge the statutory functions, imposed on them, effectively and efficiently without any omission or commission.
